The Awards Program will incorporate several improvements this year to make this event very special to your employees:

- Company representative will have the opportunity to address the audience including their Award recipient on the achievements of their driver or employee during 2009. *PBA's board felt this is an added recognition and honor for those selected for the Award.*
- The Awards Program is dedicated only to the Drivers and Employees of Distinction and there will be no other awards given out. *This also lends to the specialness of this event for the drivers and employees selected.*
