### MEMBERSHIP

Membership in PBA is held in the name of the business and is renewed annually based on anniversary month with the acceptance of this application. PBA's Membership Directory will include only ONE listing per company, unless additional locations may be listed in the "description" section of your listing provided you have selected and paid dues for the appropriate number of locations. Contributions or gifts to PBA are not deductible as charitable contributions for federal income tax purposes. Dues payments are, however, deductible by members as an ordinary and necessary business expense, subject to exclusion for lobbying activity. Because a portion of your dues is used for lobbying by PBA, 17% of your dues (\$41.14) is not deductible for income tax purposes.
